Notice

Please be advised of changes to filing new actions in Montour County Court of Common Pleas effective January 2, 2020.

The filing fee remains at \$135.25 coupled with a \$15.00 up front discontinuance fee for all new actions totaling \$150.25. The exception being custody which will remain at \$135.25.

By adding the discontinuance fee at time of filing eliminates the collection of this fee later. This allows us to more efficiently administratively close the case at its termination.

As a reminder this office began accepting credit card payments for your convenience as of October 2019.
