

### Telephone & Commissary

Inmates are permitted to make phone calls through the Inmate Phone System. Inmates can make Debit or Pre-Paid Calls. Montour County Prison utilizes GTL as the Inmate Phone Provider. All phone calls are recorded and monitored, with the exception of Legal Calls. Please Contact GTL at 1-814-949-3303 to obtain information relative to setting up a Pre-Paid Account. Money Orders are accepted at the Prison to place Funds on an Inmate Account. Funds can also be added to the Inmates Account by visiting **offenderconnect.com**. The Inmate can then access the account to make Debit Calls. The inmate can also access the account to make purchases of general hygiene products and small food items from the Prison Commissary. Money Orders can be dropped off at the Prison and placed in the Money Order Slot at the Church Street Entrance of the Prison. Money Orders can also be mailed to the Prison at the following address:
